Hail Holy Queen

Hail, holy Queen, Mother of mercy, hail, our life, our sweetness and our hope. To thee do we cry, poor banished children of Eve: to thee do we send up our sighs, mourning and weeping in this vale of tears. Turn then, most gracious Advocate, thine eyes of mercy toward us, and after this our exile, show unto us the blessed fruit of thy womb, Jesus, O merciful, O loving, O sweet Virgin Mary!
Amen.

THE CHAPLAIN WRITES...

Welcome to Cardiff! If you are returning for another academic year or you are here for the first time and are experiencing a mixture of emotions spanning “un-controllable glee” to “mild home-sickness” or “absolute terror” know that you are by no means alone in this maze of feelings. Everyone experiences such feelings at this time, even in their second and third years and post graduates too! Once you have access to your courses, know where the lecture theatre or laboratory is and you know who your professors are and where the library for your course of reading / research is, you will feel much calmer! For the moment try and trust that those of us who spend our lives in the University can reassure you that we know what we are talking about and have trodden the path before and survived... even blossomed! You will be fine!!

The University Chaplaincy here at Newman Hall is unique as we have the privilege of sharing our lives with the Sisters of Nazareth who have served the poor, the elderly and the young since the middle of the 19th century. The presence of “The University Church, Nazareth House” expresses the ongoing enrichment between the life of the Sisters of Nazareth and the University Chaplaincy at Newman Hall. WE the University Chaplaincy have this privileged access to such a beautiful church due to the ongoing commitment of the Sisters of Nazareth to you young people. The Catholic Chaplaincy forms a visible and stable Christian community at the heart of the University: Jesus Christ is the centre and goal of all our undertakings. It is this rootedness in Him that distinguishes us and our community and means that we live as “a home from home” for all our students, staff and alumni.

Please take a moment today to visit Newman Hall (which is next door) with its library, common room and little oratory. You will be given code access to the common room and library upon request. The little oratory is open each day from 7:30am until 9:00pm for private prayer, occasional Masses and rosary.

You will see from the Newsletter that we have platforms on Facebook, Twitter and a Website. There is nearly always a member of the Oratorian community in Newman Hall, so always drop in for a chat or if you are in need of some assistance regards settling into Cardiff.

Be reassured that the University Chaplaincy is HERE FOR YOU and TO SUPPORT YOU. The Chaplaincy is a safe space because we take seriously CHRIST’S Command to Love our neighbour. Cath.Soc (The University Catholic Society) is supported by the Chaplaincy and has its home and many events at Newman Hall. There are events with and without alcohol, there are “trips out” and “stay in nights”. The Chaplaincy remains a permanent and stable presence at the heart of the University, whatever the “moving sands” outside, here we look to Christ, to restore us, refresh us and to be the rock upon which we build our mature years.

Be assured of my prayers and blessing.
